INDUSTRIAL & COMMERCIAL PROPERTY BROKERS

Parallel Property is a dedicated industrial and commercial property brokerage built on over 30 years' industry experience. We specialise in structuring sustainable property solutions to businesses, landlords, investors and developers. We are focused on establishing and maintaining lasting relationships with our clients and guarantee an informed and flexible approach to deal making.

To offer a comprehensive service to our clients, we provide a full range of real estate and brokerage solutions including site selection, land acquisition, development, build-to-suit, selling and purchasing investment property.

Successfully navigating the complex South African commercial real estate arena requires exceptional agents. Our experience in Gauteng enables us to provide tailored solutions to the logistics and supply chain sector, the general Industrial sector and the manufacturing sector. Focusing on local SME's through to multi-nationals, we are positioned to structure solutions throughout South Africa including certain Sub-Saharan Industrial nodes.

Our network and strategic partners include the listed and private property sector combining to provide the platform for flexible options. Parallel Property adds value and convenience during the current challenging economic times, with this owner run business delivering direct and responsive communication and a guaranteed proactive approach to our projects and clients.
